

***The Abbeyfield Barnard Castle Society needs your help!***

We are a volunteer-run organisation, providing very sheltered housing and care for older people no longer wishing or able to live alone. We provide them with security, support and companionship, without loss of independence and privacy. Whilst we have professional Housekeepers in each of our Houses, we rely on volunteers for:

- **Helping our Houses run smoothly, happily and efficiently**

- **House Management**

- Building and garden maintenance/development, financial management, marketing and fund-raising

- **Giving friendship to our Residents**

- Talking with them, providing vital company, helping with transport

- **Organising social outings and in-house events**

***Use the skills you have, or learn new ones  
(we provide training where appropriate),  
as part of a team doing really worthwhile work.***

***If you are interested in becoming a Volunteer, please contact  
the Administrator Mrs G Coll at***

**CORN CLOSE HOUSE, FLATTS ROAD, BARNARD CASTLE.**
